

International Conference on Aging, Disability and Independence

Hilton, St. Petersburg, Florida, USA

February 20-23, 2008

Call for Presentations

Deadline September 1, 2007

ICADI is attended by practitioners, researchers, business leaders, consumers and policy makers to focus on independence-related issues of aging. Submissions will be accepted in the following categories: Livable Homes and Communities, Assistive Devices, Work and Aging, Transportation, Telehealth, Injury Prevention, Robotics, and Smart Homes.

Submit a proposal for a Lecture, Symposia, Poster, or Technology Demonstration.
Information and submission are online at www.icadi.php.ufl.edu .
